Sub: EDUCATION- Elementary- Supply of midday meals to poor pupils- expenditure - exemption from the provisions of G.O.No.1850 Edn. dated 8.11.57- requested.

4. Director of Public Instruction's proceedings Rc.453 P.W.4/56 dated 19.3.58 to the District Educational Officer.
& 5. M.C.R.No.2618 dated 28.3.58.

..

The supply of midday meals to poor children of Municipal Elementary schools was started on 31.10.57 as suggested by the District Educational Officer, Madurai.

The inauguration of the scheme was done by the District Educational Officer, Madurai, in New Jail Road school on 31.10.57 and later by the Director of Public Instruction, Madras in Chintamani Talkies on 9.12.57. 2739 pupils are now supplied with midday meals as per list furnished by the Deputy Inspector of Schools. The supply is being made by the Annapoorna Cafeteria at the rate of 10 nP. per packet.

Government were addressed through the Director of Public Instruction in this office letter No.A6/19000/56 dated 20.11.57 to

1. condone the omission to call for tenders for the supply of food packets;
2. to approve the expenditure on the supply of food packets;
3. to sanction a subsidy of 50% on the expenditure.

Government in G.O.Rt.No.32 Edn., dated 16.1.58 declined to sanction a grant of 50% on the expenditure but advised us to address Government separately in respect of other requests.

Subsequently a broad scheme for the supply of midday meals was communicated by Government in G.O.No.1850 Edn. dated 8.11.57 received in this office on 28.1.58.

The scheme envisages the collection of donations from the public, the formation of General Committee and an Executive Committe consisting of doners empowered with all the functions connected with the supply of midday meals and obtaining grant from Government on the expenditure calculated at the rate of the amount by which actual expenditure exceeds 4 nP. per pupil per meal or 6 nP per meal whichever is less.

The above two Government orders were placed before the Council. Meanwhile the matter was discussed by the Commissioner and myself with the Director of Public Instruction on 1.3.58 when he was at Madurai. He expressed that to get Government grant we should as far as possible try to conform to the scheme rules laid down in the G.O. viz.

1. collection of donations from the public at least to the extent of Rs.10,000/- to Rs.15,000/- per year;
2. the council to contribute a major amount from its funds with government's approval;
3. a general and an executive comittee to be formed including the donors.

He was also of the opinion that in view of the

/contd..

substantial capital outlay that will be involved in procuring requisite utensils, accommodation etc., the supply may be entrusted to recognised agencies like Annapoorna with Government's approval.

On our further request to make provision for the grant, the Director of Public Instruction in his proceedings Roc.No.453 P.D. 4/56 dated 19.3.58 has intimated that no grant will be admissible till formation of the committee as per Government Order.

After a very careful consideration of all the aspects of the matter the Council felt that it will not be practicable to collect any appreciable amount by way of donations from year to year from the public and constitute separate committees for each school centre or a single committee for all the sixty four elementary schools scattered throughout the City. As the number of pupils to be fed will be very large the committee will have to be entrusted with large sums of money. Moreover as the Council itself consists of elected representatives of the public it may with advantage discharge the functions of both the committees contemplated in the G.O. in respect of the all municipal schools. The Council also proposed to extend the benefits of the scheme to a larger number of poor pupils from 1.6.58 (next school year) and has accordingly provided Rs.1,00,000/- in the budget estimate for 1958.59 (Rs.40,000/- from the Municipal Education Fund and Rs.60,000/- from Government Grant).

In the above circumstances the Council in its resolution No.2618 dated 28.3.58 (copy enclosed) has resolved to request Government,

1. to treat the council as both the committees and relax other conditions in the G.O. in favour of the council and permit it to spend at 4 nP. per pupil for midday meals;

2. to sanction a grant at 6 nP. per pupil for the number being fed from 31.10.57.

3. to approve the supply of meals by the Annapoorna at 10 nP. per pupil.

4. to depute the Chairman and the Commissioner to wait on the Hon'ble Minister for Education to represent the matter and get favourable orders.

I would request that a date convenient to you before 11.4.58 or after 20.4.58 may kindly fixed and intimated to me to enable us to interview and represent the matter.

Yours sincerely,

Sd. A.G.Subburaman.
Chairman.

Full details of the facts are given in the D.O. The Chairman and myself met the Hon'ble Minister on 27.4.58 at Gandhigram and represented our case. The Hon'ble Minister said that grants were intended more for rural areas. It was thereupon represented to him that the scheme was applicable for urban areas as well and that it may not be possible for the Municipality to continue the supply of mid day meals unless Government grant was sanctioned. The Hon'ble Minister promised to consider the matter sympathetically and pass orders. Orders of Government are awaited.

The provision of Rs.50,000/- ~~in the Re~~ was revised to Rs.35,000/- in the Revised estimate for 1957-58 on the anticipated expenditure of the scheme as it was started only on 31.10.57.

4. The Government now in their orders G.O.Ms.No.661 dated 18.4.58 and G.O Ms.No.774 Education dated 24.3.58 have directed the deletion of the items from the Revised Estimate for 1957-58 and Budget Estimate for 1958-59 and advised in para 3 of the G.O.No.Ms.661 L.A. dated 18.4.58 to address Government separately for sanction.

(P.T.O)

5. The scheme was started from 31.10.57 and continued till 30.4.58- the end of the school year and the total expenditure incurred was Rs.35,719.50 nP. DIRECTOR OF PUBLIC INSTRUCTION,

Office of the
Director of Public Instruction,
Madras, dated: 15--11--1958.

Dear Sri Kannaiyan,

With reference to your D.O. No.112344-E6/58-3 Education dated 8th November 1958, I may state that the question of sanctioning grant for supply of school meals at the rate of 6 nP per meal per pupil to municipalities in the mofussil did not come up for consideration at the Conference held in the Secretary's room on the 25th August 1958. The need for increasing the allotment for the school meals from Rs.20 lakhs to 40 lakhs was alone discussed. With reference to your D.O. letter dated 26th August 1958, the Special Officer for Publication of Text Books informed you on the phone that there was no need for sending a note regarding additional provision and it would be enough if a note is put up by you to the Cabinet for its consideration. I believe that you have already taken necessary action in this regard.

As regards the question of paying grant to Madura Municipality towards the supply of school meals, I may inform you that even according to existing rules, the Municipality will be eligible for Government grant for this purpose provided it constitutes a Local Committee for the supply of school meals. But in view of the size of Madura City and the large number of children to be fed, it may not be practicable to constitute one Committee for this purpose and to have a central cooking place. It will be necessary to have several committees and to prepare food in several centres. But the control of expenditure will become difficult if several committees are constituted.

P.T.O.

The Municipality may therefore be permitted to supply school meals without forming a local committee provided it is agreeable to undertake the scheme if grant is paid at the rate of 4 nP per pupil per meal, the balance of 6 nP being met from the Elementary Education Funds of the Municipality. Donations, if any, ~~that may be~~ received may be credited to the Elementary Education Funds of the Municipality.

Yours sincerely,

To

Sri V. Kannaiyan,
Deputy Secretary to Government,

மதுரை ஜில்லா கல்வி அதிகாரி ஆலோசனையின் பேரில் 31-10-57 முதல் நகரசபை ஆரம்ப பள்ளி ஏழை மாணவர்களுக்கு மத்தியான உணவு அளிக்க ஆரம்பிக்கப்பட்டது. இதற்கு 31-10-57ல் புது ஜெயில் ஆரம்ப பள்ளியில் ஜில்லா கல்வி அதிகாரியாலும், 9-12-57ம் தேதி சிந்தாமணி ஸ்கூல் கோட்டைகையில் சென்னை கல்வி இலாகா இயக்குனர் அவர்களாலும் துவக்க விழா நடைபெற்றது. பள்ளிக்கூட டிப்டி இன்ஸ்பெக்டர் அவர்களால் கொடுக்கப்பட்ட ஜாபிதா பிரகாரம் 4739 மாணவ மாணவிகளுக்கு உணவு அளிக்கப்பட்டது. ஒரு பொட்டலம் 10 நயாபைசா வீதம் அன்னபூர்ணா காபிடியாவால் சப்ளை செய்யப்பட்டது.

/1/ உணவு பொட்டலம் விநியோகத்திற்கு டெண்டர்கள் வரவழைக்காததற்கும்
/2/ உணவு சப்ளை செய்வதற்காக ஏற்பட்ட செலவை ஒப்பளிப்பு செய்யவும்,
/3/ செலவில் 50 சதவிகிதம் உதவித்தொகை கொடுக்கவும்

கல்வி இலாகா இயக்குனர் மூலம் 20-11-57ம் தேதிய ஏ6/19000/56ம் நிர் கடிதத்தில் சர்க்காரைக் கேட்டுக்கொள்ளப்பட்டது.

சர்க்கார் 16-1-58ம் தேதிய ஜீ. ஓ. ஆர். டி. நிர் 32/கல்வி/ நிர் உத்தரவில் செலவில் 50 சதவிகிதம் உதவித்தொகை அளிப்பதை நிராகரித்தும், இதர வேண்டுகோள்களுக்கு தனியாக சர்க்காருக்கு எழுதும்படி அறிவித்து விட்டார்கள்.

பிறகு, உணவு விநியோகம் சம்பந்தமாக ஒரு விஸ்தாரமான திட்டத்தை கொண்ட 8-11-57ம் தேதிய கல்வி இலாகா 1850 உத்திரவை அனுப்பிவைத்தார்கள். அது 28-1-58 நமது ஆபிஸிற்கு வந்தது. இந்த திட்டத்தில் கீழ்க்கண்ட படி குறிப்பிட்டிருக்கிறது.

/1/ பொது ஜனங்களிடமிருந்து நன்கொடை வாங்குவது
/2/ ஜெனரல் அண்ட் எக்ஸிகூடிவ் கமிட்டி. நன்கொடை கொடுத்தவர்களைக் கொண்டதாக நிறுவுவது,
/3/ உணவு சப்ளை சம்பந்தமான எல்லாக்காரியங்களை கவனிப்பதோடு ஒரு பையனுக்கு வேளைக்கு செலவில் 4 நயா பைசாவிற்கு மேற்கொண்ட செலவை 6 நயாபைசாவிற்கு மேற்படாமல் சர்க்காரிடமிருந்து உதவித்தொகை வாங்குவது முதலிய எல்லா அதிகாரங்களும் இந்த கமிட்டிகளுக்கு கொடுக்கப்படும்.

இந்த இரண்டு உத்திரவுகளும் நகரசபையின் முன் வைக்கப்பட்டது. 1-3-58ம் தேதிய சென்னை கல்வி இலாகா இயக்குனர் மதுரையில் இருக்கும்பொழுது ஆணையாளரும் நகரசபைத் தலைவரும் அவரோடு கலந்து ஆலோசித்தார்கள். அவர்கள் சர்க்காரிடமிருந்து மான்யம் வாங்க வேண்டுமானால் சர்க்கார் உத்திரவில் வகுக்கப்பட்ட விதிகளுக்கு கூடிய வரை நகரசபை அனுசரிக்க வேண்டுமென்றும் சொன்னார். அதன்படி

/1/ பொதுமக்களிடமிருந்து ரூ.10000/- முதல் ரூ 15000/- வரை வருடமொன்றுக்கு நன்கொடையாக வசூலிக்க வேண்டும்.
/2/ சர்க்கார் அனுமதியின் பேரில் நகர் நிதியிலிருந்து அதிகப்படியான தொகையை நகரசபை ஒதுக்க வேண்டியது.
/3/ ஒரு பொதுக்கமிட்டியும் ஒரு காரியக்கமிட்டியும் நிறுவ வேண்டியது.

/பின் பக்கம் பார்க்க/

உணவு தயாரிப்பதற்கு பாத்திரம் முதலிய சாமான்கள் வாங்குவதற்கு அதிகப்படியாக முதலீடு செய்ய வேண்டியிருக்குமாதலால் சர்க்கார் அனுமதியின் பேரில் உணவு விநியோகத்தை அன்னபூர்ணாவைப் போன்ற ஒரு ஸ்தாபனத்திற்கு ஒப்படைக்கலாம் என்று அபிப்பிராயப்பட்டார். மேலும் நன்கொடை கொடுக்க வேண்டுமென்று கோரியதற்கு கமிட்டிகள் நிறுவப்பட்டாலன்றி மானியம் கொடுக்க இயலாது என்று கல்வி இலாகா இயக்குனர் தமது 19-3-58ம் தேதிய ஆர்.ஓ.சி. 453 பி.டி. 4/56 என் கடிதத்தில் அறிவித்தார்கள்.

மேற்படி ஆலோசனைக்கு பிறகு பொது ஜனங்களிடமிருந்து வருடா வருடம் நன்கொடை வசூலிப்பதோ, அல்லது ஒவ்வொரு பள்ளிக்கும் ஒரு தனிக்கமிட்டியோ அல்லது நகரின் எல்லா பாகங்களிலும் பரவியிருக்கும் 64 பள்ளிகளுக்கும் ஒரே கமிட்டியை நியமிப்பது என்பது நடைமுறையில் சாத்தியப்படாது என்று நகரசபை கருதியது. உணவு அளிக்க வேண்டிய பிள்ளைகளின் எண்ணிக்கை அதிகமாக இருப்பதால் இந்த கமிட்டியிடம் பெருந்தொகை ஒப்படைக்க வேண்டியிருக்கும். மேலும் நகரசபையானது பொது மக்களால் தேர்ந்தெடுக்கப்பட்ட பிரதிநிதிகள் அடங்கியுள்ளதாக இருப்பதால் சர்க்கார் உத்தரவில் கண்ட இரண்டு கமிட்டிகளுக்கு கொடுக்கப்பட்ட அலுவல்களை அதுவே நிர்வகிக்கலாம்.

மேற்கண்ட காரணங்களால் நகரசபை தமது 28-3-58ம் தேதிய 2618 நம்பர் தீர்மானத்தில் சர்க்காரை கீழ்க்கண்டவாறு கேட்டுக்கொண்டது.

/அ/ நகரசபையை இரண்டு கமிட்டிகளாக பாவித்தும் மற்ற நிபந்தனைகளிலிருந்து விலக்கு அளித்தும், ஒரு பையனுக்கு நகரசபை நிதியிலிருந்து ஒரு வேளை உணவிற்கு 4 நயா பைசா வீதம் செலவழிக்கவும்,

/ஆ/ 31-10-57ம் தேதி முதல் உணவளித்த பையன்களுக்கு 6 நயா பைசா வீதம் மானியம் கொடுக்கவும்,

/இ/ அன்ன பூர்ணாவின் விநியோகத்தை அங்கீகரிக்க.

சேர்மன் அவர்கள் மேற்படி விபரங்களை கொடுத்து நேரில் சந்திக்க பேசவேண்டும் என்று குறிப்பிட்டு 4-4-58ம் தேதி ஒரு டி.ஓ. கடிதம் கனம் கல்வி மந்திரி அவர்களுக்கு எழுதினார். 27-4-58ம் தேதி காந்தி கிராமத்தில் முன் அறிவிப்போடு, கனம் அமைச்சர் அவர்களை நகரசபை தலைவர், ஆணையாளர் நேர் உதவி ஆணையாளர், ஒரு அங்கத்தினர் நேரில் கண்டு விபரமாக விவரித்தார்கள். கனம் அமைச்சர் அவர்கள் அதன்மேல் நம்முடைய கோரிக்கைகளை அனுதாபத்துடன் கவனித்து விரைவாக உத்திரவு அனுப்புவதாக உறுதி கூறினார்கள். கீழ்க்கண்ட கோரிக்கைகளை ஒப்பளிப்பு செய்யக் கேட்டுக்கொண்டு 15-5-58ம் தேதி சர்க்காருக்கு எழுதப்பட்டது.

/1/ 31-10-57 முதல் 30-4-58 வரை மதிய உணவு சப்ளை செய்ததில் ஏற்பட்ட ரூ 35719-50 ஒப்பளிப்பு செய்ய.

/2/ அன்னபூர்ணா காபிடிபனாவிற்கு டெண்டர் இல்லாமல் ஒரு பையனுக்கு 10 நயா பைசா வீதம் சப்ளை செய்வதை ஒப்படைத்தது.

/3/ பள்ளிகள் திறந்த தேதி 1-6-58 முதல் இந்த திட்டத்தை தொடர்ந்து நடத்துவது.

சர்க்காரிடமிருந்து 1958 வருடம் மே மாதம் கடைசி வாரம் வரை உத்திரவு வாராததால் 1-6-58 முதல் இந்த திட்டத்தை மறுபடியும் துவங்குவது சம்பந்தமாக நகரசபையின் அபிப்ராயத்தை கோரப்பட்டது.

சர்க்கார் இடமிருந்து சாதகமாக மானியத்தொகை சாங்ஷன் செய்து உத்தரவு வந்த பிற்பாடு இத்திட்டத்தை மறுபடியும் துடங்குவதற்கு திட்டங்களை சபையின் முன் வைக்கும்படி தனது 30-5-58ம் தேதிய 175 நர் தீர்மானத்தில் கவுன்சில் உத்திரவிட்டது.

13-7-58, 4-10-58, 11-2-59, தேதிகளில் சர்க்காரை ஞாபகப் படுத்தப்பட்டது.

இவ்விஷயம் தங்கள் பரிசீலனையில் இருப்பதாக 4-3-59ம் தேதி 22296 கல்வி டி59 நர் 15-5-59ம் தேதி 63556 ஈ6/59-1- கல்வி இலாகா உத்திரவில் பதில் அளித்திருந்தார்கள்.

இப்பொழுது கல்வி இலாகா இயக்குனர் எல்லா பள்ளிகளும் மதிய உணவு விநியோக திட்டத்தில் கொண்டு வர வேண்டுமென்று விரும்புவதாகவும் அதற்காக ஒவ்வொரு பள்ளிக்கு ஒரு கமிட்டியோ அல்லது பிராந்திய கமிட்டிகளோ நிறுவலாம் என்று ஜில்லா கல்வி அதிகாரி நகரசபைத் தலைவருக்கு 7-6-59ம் தேதி தனது ஆர்.சி. 25.7 பி./59 நர் டி.ஓ.கடிதத்தில் குறிப்பிட்டிருக்கிறார். நன்கொடை வசூலிப்பதில் உள்ள கஷ்டங்களையும் நகரசபையை இரு கமிட்டிகளாக பாவிப்பதால் ஏற்பட்டக்கூடிய நன்மைகளையும் மேலே விளக்கியிருக்கிறோம்.

நகரசபையின் வேண்டுகோளின் பேரில் சாதகமான ஏற்ற உத்திரவு பிறப்பிக்க வேணுமாய் கேட்டுக்கொள்ளுகிறோம்.

The Audit in para 75 of the Audit Report on the General funds of this Municipality for 1964-65 has objected to the payment of the second contribution of Rs.10,000/- stating that as the contribution for thesecond time was for a specific purpose, the sanction of the Government would need to be obtained. Sir,

Sub: EDUCATION-Elementary Education-Tuticorin Municipality-Audit report for 1964-65-Contribution to the Municipal Elementary Schools-Midday Meals Committee for the purchase of utensils steel vessels-regarding.

27959 1972

Ref: Government endorsement 81566/HI/71-1 dated 19.11.71 and 23.2.72.

.....

With reference to the Government Endorsement cited, I submit that the Chief Educational Officer, Tirunelveli has stated that it is seen from the reports of the Examiner of Local Fund Accounts, Madras and the Commissioner, Tuticorin Municipality that a sum of Rs.10,000/- was paid by Tuticorin Municipality as additional contribution to the Midday Meals Committee for the purchase of Eversilver vessels for feeding the pupils with the Municipal Council, Tuticorin during the year 1965. He has also reported that though the contribution made by the Council towards the purchase of vessels was not considered to be non-recurring item of expenditure the vessels purchased by the Committee are still in use and hence the expenditure incurred on this item is to be considered as non-recurring one. Further, they will be used permanently and it has cut down periodical recurring expenditure and the common centre feeds nearly more than 5000 pupil per day.

In these circumstance, the Chief Educational Officer is of opinion that the request of the Commissioner, Tuticorin Municipality for ratifying the expenditure incurred during 1964-65 may be accepted and necessary sanction may be accorded I endorse these remarks in this regard.

Yours faithfully,

Ref: Application dated 26-10-73 from Thiru S.K.Deen Mohamad, President,Midday meals committee

...

I submit that this municipality is maintaining 8 Elementary schools. One thousand children studying in the above schools are given midday meals by the Central Midday meals committee constituted by the Municipality. Thiru S.K.Deen Mohamad one of the existing municipal councillors has taken over charge as President of the Midday meals committee during the month of July 1969. The funds were operatedby the President with the assistance of one Headmaster of a Municipal Elementary school of this council. The following are the source of income to the Municipal Midday meals committee.

1.Contribution from Government at 0.06 per child
2.Contribution from Municipal funds at 0.04 per child
3.Donations.

2)Thiru S.K.Deem Mohamad, President of the above committee continued to be the President from July '69 to October '73 and he handed over charge of the accounts of the committee on 18-10-73 to the Municipal commissioner who has been designated as Secretary of the Midday Meals committee by the District Educational Officer, Gobichettipalayam.

3)In his application cited Thiru S.K.Deen Mohamad Municipal councillor has stated that during the period of his service as President of the Midday meals committee (i.e.) from 1-7-69 to 18-10-73) he could not limit his expenditure of midday meals to the children at 10 paise per day per children with the contribution received from Government and from the municipality etc and that he had spent a sum of Rs3350/- over and above the income received by him for the committee and he has requested to reimburse the said amount of Rs3350/- from the Municipal funds as there is no sufficient amount in the funds of the midday meals committee.

4)After verification of accounts of the Midday meals committee for the period from 1-7-69 to 18-10-73, the matter was placed before the Municipal council for its decision with a note to the Municipal council. A copy of the note placed before the Municipal council is submitted herewith. The Municipal councilin its resolution No. 417 dated 11-1-74 has resolved to reimburse a sum of Rs3350/- to Thiru S.K.Deen Mohamad, President of the Midday meals committee with the sanction of the Government towards the amount spent by him over and above the income of the midday meals committee

Not Recd

5) In this connection I submit that a sum of ₨83,478-17 was received as income from Government grant and Municipal contribution by the Midday meals committee. But a sum of ₨86,828-43 was spent by the President of the committee for giving midday meals to the children during the above period. Thus a sum of ₨3350/-26 has been spent over and above the income received by the midday meals committee. The amount due to be spent for 1000 children at the rateof 0.10nP per child for providing midday meals is ₨79,500/-. The Municipal council has already paid a sum of ₨34500/- during the above period towards its contribution at the rate of 0.04 paise per child as permitted by the Government in G.O.No.1850 Education dated 8-11-1957. The Government have also paid grant of ₨47,026-72 at the rate of 0.06nP per child for giving midday meals. If the amount now claimed by the President is to be paid to him by the Municipal council, it will exceed the limit of contribution fixed by the Government in G.O.No.1850 Education dated 8-11-1957. Hence the sanction of the Government is required for paying the amount from municipal funds.

6) I submit herewith a copy of the resolution of the Municipal council together with a copy of the application cited and request that the Government may be pleased to sanction the payment of the said amount of ₨3350/- to Thiru S.K.Deen Mohamad, President, Midday meals committee from the municipal funds.

Sir,

Sub: Midday meal scheme - Government grant
Revised pattern of financing - Clarification regarding assessment of grant.

Ref: Letter Rc. No. 29683/J/76 dated 7.12.77 of the District Educational Officer, Coimbatore.

&&&&

I submit that the District Educational Officer, Coimbatore, in his letter cited has stated as follows:

2) The Coimbatore Municipality is running a common kitchen with a strength of 17,000 pupils under the Midday meal scheme for the benefit of Municipal Schools Children. It is reported that a sum of Rs: 82,317.41 was spent towards the supply of Midday meals for 52 days during the quarter ending 31.12.75. But a sum of Rs: 1,02,000/- was stated to have been sanctioned as advance grant during that quarter. It may be seen that the advance grant sanctioned is more than the actual expenditure towards the scheme and the cost per meal works out to 9 paise per pupil .i.e., less than the admissible grant of 10 paise per meal. It has also been reported that the Municipality has not remitted 5 paise contribution.

3) In this connection, the District Educational Officer, Coimbatore requests clarification as to whether the grant to be allowed to the Coimbatore Municipality may be restricted to the actual cost of 9 paise per meal minus the minimum contribution of 5 paise per meal as the Municipality has not paid the 5 paise contribution, OR ~~allow~~ the full grant of 9 paise per meal may be allowed as the amount is less than 10 paise of Government grant permissible.

Ref: From the DSE Lr. Rc. No. 256338 SM9/77 dt 24-1-78

According to G.O.Ms no 1804 dt 21-10-74, each Local Body should spend on the Mid-day Meals programme for the ele schools run by it, a minimum of 15 paise per day per Mid-day Meal beneficiary (for 200 days a year)-- of which 10 paise will be given as Govt grant and 5 paise should be borne from the General Funds of the Local Body.

2. It has been reported that for the quarter ending 31-12-75, the Coimbatore Mcpty spent for the Mid-day Meals scheme in its ele schools only Rs 82317 in all which worked out to just 9 paise per pupil per day!
The DSE has asked whether the Govt grant may be restricted to 4 paise (9 paise minus 5 paise Mcpl contribution). ~~This seems reasonable. However,~~ The Examiner of LF Accounts is requested to offer his remarks in the matter.

3. In the meantime, the Coimbatore Mcpty is requested at least hereafter not to deprive the Mid-day Meal beneficiaries in its Ele schools by spending less than their legitimate due of 15 paise per pupil per day for 200 days a year. The Mcpty's action in spending just 9 paise for a certain

With reference to Government Memo. cited, I am to state that Coimbatore Municipality is eligible for Government grant equal to total expenditure towards Midday Meals (9 paise per meal) less local body contribution (5 paise per meal) which is compulsory. Thus the Municipality has drawn the Government grant in excess to the extent of Rs.1,38,415-74 for the year 1975 as detailed in the Annexure. It has been ascertained that the Municipality is getting wheat products and oil free of cost through "CARE" and hence the lesser expenditure on other items.

Kind attention is invited to the proposal of S.O.Koilpatti Mpty. on p. 3 c.f. and ~~of~~ the recommendation of the D.S.E. on p. 1 c.f.

3 The expenditure on the Ele.Edn. ~~purposes~~ purpose have to be met ~~out~~ from the Ele.Edn.Fund Account of the concerned Mpty. and not from the General Fund Account of the Mpty. For this purpose, ~~only~~ a 30% of the surplus balance of the General Fund Account - ordinary is normally being transferred to Ele.Edn.Fund Account every year. In this case, the position at 'S' on p.3 c.f. indicates very clear that the Ele.Edn. fund Account of Koilpatti Mpty. is with surplus balance and it is sound enough to meet the expenditure of Rs.5,905.65 incurred towards the purchase of new vessels, plates etc. to the Municipal Ele.Schools at Koilpatti Mpty. It may also be not admisable to incur the above expenditure from the General Fund of the Mpty, besides transferring 30% of its surplus balance to the Ele. Edn.Fund Account. ~~The~~ Education dept. may therefore be requested to instruct the Special Officer, Koilpatti Municipality to remit back a sum of Rs.5,905.65 (Rupees five thousand nine hundred and five and Paise sixty five only) to the General Fund Account from the Ele.Edn.Fund Account without any delay. Sub: Education - Elementary - Madurai Municipal Council - Supply of midday meals to elementary school children.

Ref: From the Municipal Commissioner, Madurai No.A6.19000-56, dated ~~1st~~ 15-5-1958.

The case deals with the request of the Madurai Municipal Council regarding the supply of school meals to children in the Municipal Elementary schools. The request made by the Commissionare the following:

(i) the expenditure of Rs.35719 nP 50 incurred by the Municipal Council on the supply of midday meals from 31-10-1957 to 30-4-1958 may be approved.

(ii) the work of supplying meals may be entrusted to the Annapoorna Cafetaria at 10 nP per packet, dispensing with tenders.

(iii) continuance of the scheme from 2-6-1958, the date of re-opening of the schools and incurring of expenditure from municipal funds and sanction of Govt. grants, maybe approved.

(iv) Govt. grant at the rate of 6 nP per pupil may be sanctioned for expenditure incurred in 1957-58 and for the expenditure to be incurred in future.

2. The request of the Municipal Council for Govt. grants towards the supply of school meals was considered previously and negatived. Attention is in this connection invited to the Secy.'s note and to the orders in circulation at p.6 n.f. of 'D'. Pending approval of Govt., the credit taken for a contribution of Rs 35,000 from the General Account to the Elementary Education Acct. was not admitted in the orders issued on the

p1-2 cf

Council's Budget. It is stated that this matter was further discussed by the Commissioner and the Chairman with M(F) at Gandhigram on 22-4-1958 and that the Minister promised to consider the matter sympathetically and pass orders.

3. According to the school meal scheme sanctioned in G.O.No.1850, Education, dated 8-11-1957, the scheme is to be financed with the help of Govt. grants and donations collected from the local public. The Government grant is to be paid to local committees of donors. The scheme does not contemplate payment of Government grants to municipal councils or to the municipal councils incurring expenditure from their funds. However, certain municipal councils have been permitted to incur expenditure from their General funds towards ~~payment of contribution to the scheme of~~ provision of school meals if their financial position is sound enough to admit such expenditure.

4. The Madurai Municipal Council feels that it will not be practicable to collect any appreciable amount by way of donations from year to year from the public and constitute local Committees of donors and that as the Council itself consists of elected representatives of the public it may with advantage discharge the functions of the local Committees in respect of all the municipal schools. If this is agreed to in respect of Madurai Municipal Council it may not be long before the other municipal councils ~~follow~~ approach ~~suit~~ Govt with similar arguments. The entire scheme will then run the risk of failure. It is already being said that as the Government are now paying large grants, public are not very enthusiastic in

B/3

in some places to share the cost, hoping that the entire cost will be met by Government, if necessary

5. According to the scheme, the Govt. will give the Executive Committee of donors a grant calculated at the rate of the amount by which actual expenditure exceeds 4 nP per meal per pupil or 6 nP per meal per pupil, whichever is less. It may be noted that the Madurai Municipal Council has asked Govt. for a uniform grant at the rate of 6 nP per pupil.

6. The scheme of school meals forms part of the larger scheme of Free and compulsory Education upto Standard V. The funds are very limited and the main purpose of the scheme will be defeated if money is spent on items of expenditure not contemplated in the Scheme. In the current year, the budget provision for school meals is Rs 20 lakhs. The D.P.I. has now pointed out in another connection that he will require Rs 50 lakhs in the current year, for continuing the centres already opened last year and for opening fresh centres in the current year. The total expenditure on the scheme is, therefore, likely to be considerably larger than the provision available in the Five Year Plan. In the circumstances it seems necessary not to make any departure from the scheme settled in the G.O.

(file in Fin)

7. The following is therefore for consideration. The Madurai Municipal Council may be told;

(i) that the instructions in G.O.No.1850, Edn. dated 8-11-1957 should be followed and that

(65)

Govt. grants can be paid only according to the scheme settled in the G.O.

(ii) that the Government have no objection to the Municipal Council making contribution from its General funds for school meals schemes if ~~its~~ funds will permit; and

(iii) that the Govt. have also no objection to the Committees constituted according to the G.O. making arrangements with the Annapoorna Cafeteria for supplying meals at a cost not exceeding 10 nP per pupil.

The arrangement already made by the mcl for supply of meals by Annapoorna Cafeteria may be approved.
20.6.58

(iv) The expenditure already incurred by the Municipal Council during 1957-58, amounting to Rs 35,719.50, may be approved to be met from its general funds as a special case.

From the DPI Rc. ...

A scheme for the supply of school meals to children in Elementary Schools was introduced by the Government with effect from 1-11-57. The scheme is to organise and maintain the supply of school meals to poor pupils reading in elementary schools including Higher Ele. Schools in the State (Except in Madras City) and it contemplates the fostering of initiative on the part of the localpublic to collect private subscriptions to meet the cost of the scheme and supplement it by Govt. grant. The administration of the scheme is to be carried on by local donors who may constitute themselves into two ~~commim~~ committees viz. 'General Committee' and 'Executive Committee' and will be subject to the supervision of the officers of the Education Department. The Government grant is to be paid to local Committees of donors. Payment of grant is calculated as follows:-

The amount by which the actual expenditure exceeds 4 nP per meal per pupil; or 6 nP per meal per pupil whichever is less. The scheme does not contemplate payment of Govt. grants to municipal councils or to the municipal councils incurring expenditure from their funds. ~~However certain municipalities have been permitted to incur expenditure from their General funds towards provision of meals if their financial position is sound enough to admit such~~

P.T.O.

expenditure.

In the actual implementation of the scheme, difficulties have been experienced in Municipal areas and certain Ml. Cls. have in collecting local contribution requested Govt. to permit them to contribute towards the expenditure on the implementation of the scheme from their funds. In the letter at pp 1-2 c.f. (L.F.1) the Madurai Municipal Council is of the view that it will not be practicable to collect any appreciable amount by way of donations from year to year from the public and constitute local committees of donors. The Madurai Municipal Council has, therefore, requested Govt. 'inter-alia' to treat their council as a local committee and relax for that purpose, the conditions in G.O. 1850, Education, dated 8-11-1957 in favour of the Madurai Municipality.

2. While examining the requests of the Madurai Municipal Council, M(F) desired that Secretary should devise a separate order in respect of Moffussil municipalities subject to the lowest rate of Govt. expenditure. With reference to M(F)'s orders, at a meeting held at Secretary's room on 25-8-1958 which was attended by the D.P.I. and D.S. Finance the whole question was discussed in general, and the need for increasing the allotment for school meals by Rs. 20 lakhs every year and stabilising the expenditure at 120 lakhs at the end of 1962-63 was decided. In that connection the D.P.I. who was present was asked to examine the above decision and send a note on expenditure on supply of school meals upto the year 1962-63 for placing before the cabinet and taking decision. The D.P.I.'s reply received in the matter is at pp. 7-9 cf.

3. If a separate order is to be devised in respect of Moffusil municipalities the following points may

have to be considered with reference to the requests made by certain municipalities. The requests of the municipalities may be broadly summarised as follows:-

1) To treat (the Madurai) Municipal Council as the local committee of donors and relax for that purpose the conditions of the existing scheme,

2) To permit (Madurai) the Municipal Council to entrust the work of supplying meals to the Annapoorna Cafetaria at 10 nP per packet dispensing with tenders

3) To sanction a uniform grant of 6 nP per meal per pupil.

4) To permit the Municipal Councils to incur expenditure on the supply of school meals from their 'General' and 'Elementary Education Funds'.

The requests are examined below:

1. <u>Request to treat the Madurai Municipal Council as the Local Committee:</u>

In his remarks at pp.7-9 c.f., the D.P.I. has stated that in view of the size of Madurai City and the large number of children to be fed, it may not be practicable to constitute one Committee and to have a Central Cooking place, and that the control of expenditure will become difficult if several committees are constituted. The Director has, therefore, recommended permitting the municipality to supply school meals without forming a local Committee subject to the condition that the Municipality agrees to undertake the scheme if Govt. grant is paid at the rate of 4 nP per meal per pupil, the balance of 6 nP being met from its Elementary Education Funds. The Director has suggested that donations if any received may be credited to the Elementary Education Fund of the

P.T.O.

Municipality. For orders whether the recommendation of the D.P.I. may be accepted.

'A' ... May be accepted 1.12.58

2. Request to permit the Municipal Council (Madurai) to entrust the work of supplying school meals to Annapoorna cafetaria at 10 nP per ~~taash~~ packet dispensing tenders.

In the absence of a local Committee it will be difficult for the Municipal Council to arrange for the preparation and service of meals at 10 nP per meal per pupil. The request of the Council to entrust the work to Annapoorna Cafetaria may, therefore be agreed to subject to the condition that the cost does not exceed 10 nP per meal per pupil. For orders.

'B' ... 1.12.58

Request 3: To sanction a uniform rate of grant at 6 nP per meal per pupil. Under the existing scheme the average cost for feeding one pupil with ~~axe meal~~ one meal for 200 school days, at the maximum rate of 6 nP (- the rate of grant allowed) will be Rs 12. The statement given below indicates the expenditure incurred on the scheme.

separately for their circulars. In view of this it will not be feasible to undertake further commitment by increasing the grant to a uniform rate of 6 nP. It may be recalled that M(F) desired that a separate order should be devised in respect of moffusil municipalities subject to the lowest rate of Govt. expenditure. For orders whether the request to increase the grant to a uniform rate of 6 nP may be negatived. 'C'

Request No. 4: To permit the Municipal Councils to incur expenditure on the school meal supply scheme from their 'General' and 'Elementary Education Funds'

The scheme as it is does not contemplate payment of Govt. grants to Municipal Councils or to the Municipal Councils incurring expenditure from their funds. However, certain municipalities have been permitted to incur expenditure from their General Funds towards provision of meals if their financial position is sound enough to admit such expenditure.

Even in the case of Municipalities willing to contribute from their surplus elementary education funds the same principle may be adopted. It may be noted here that the D.P.I. has no objection to such an arrangement in the case of Madurai Municipality (vide his remarks at p.79 c.f.) For orders at 'A', 'B', 'C' and 'D'. above. 'D'

Elected Mpl. cles being representative of the local area should be able to canvass aid for the scheme in the shape of donations in cash or in kind. If such contributions falls short of four naya paise the mpl cl may be allowed to make a contribution so that the scheme can be worked together with the Govt contribution of 6 naya paise. Finance are concerned with the proposal to fix the grant payable to the Madurai Municipal Council (which is to be treated as a local Committee for the purpose of the scheme) at the uniform rate of 4 n.P. per meal per pupil. The financial implication involved in this proposal cannot be calculated. This may involve additional expenditure to the Government or less expenditure. NOTE FOR CIRCULATION.

A scheme for the supply of school meals to children in Elementary schools was introduced by Government with effect from 1-11-1957. The scheme is to organise and maintain the supply of school meals to poor pupils reading in elementary schools including Higher Elementary Schools in the State (except in Madras City) and it contemplates the fostering of initiative on the part of the local public to collect private subscriptions to meet the cost of the scheme and supplement it by Government grants. In the actual implementation of the scheme, difficulties have been experienced in collecting local contributions in Municipal areas and certain Municipal Councils have requested Government to permit them to contribute towards the expenditure on the implementation of the scheme from their General and Elementary Education Funds.

2. While examining the requests of the Madurai Municipal Council, the Minister for Finance desired that Secretary should devise a separate order in respect of Moffusil Municipalities subject to the lowest rate of Government expenditure. If a separate order is to be devised in respect of moffussil municipalities, the following points are for consideration with reference to the requests made by certain municipalities-

1. To treat the (Madurai) Municipal Council as the local committee of donors and relax for that purpose the conditions of the existing scheme;

2. To permit (Madurai) Municipal Council to entrust the work of supplying meals to the Annapoorna Cafetaria at 10 nP. per packet dispensing with tenders.

Discussed with Secy & DS (SO) on 24/12

It was decided that a uniform policy should be laid down in this matter in respect of all local bodies i.e. Panchayat Unions & Municipalities. All these may be allowed to contribute to local committees, or form themselves into Committees. The funds of the Committee should be managed separately. The local body will contribute from its Education Fund the G.V.P. contribution of Govt & Govt will make good that amount. As for the rest, the local body can contribute the whole or part from its Genl. fund. As far as Panchayat ~~Unions~~ Unions are concerned, the expre & theory ~~Compensation~~ ~~matching~~ grant matching local cesses to be given to them will be reduced by this amount. Govt assistance will depend upon availability of funds & will be given in the following order of priority.

1) C.D. Blocks with NES.
2) C.D. Blocks
3) Other rural areas.
4) Municipality Gr III
5) Gr II
6) Gr I
7) Spl. Municipality
& 8) Corporation of Madras.

I had kept this file for discussion with D.S. (S.O.) but could not get an opportunity for a full and complete discussion. The question is the rate at which and the procedure by which Municipal Councils and other local bodies should be allowed to ~~contribute~~ finance the Midday Meal funds. The Midday Meal scheme approved by Government is at (A) below. The request from some Municipalities is that they should be allowed to contribute 'ad hoc' amounts from their General or Ele. Education funds. Some others (Madurai for eg.) want that the Municipality should be treated as the local committee envisaged in the scheme & that the Govt. contribution should be paid to the Council. The Council's share of the expenditure will be debited to the Ele. Education funds. (See note for circulation in top file). The request of the Madras Corporation in the separate file sent herewith may also be seen. The Gopalaswami's suggestion was to deal with ~~treat~~ all local bodies and devise a system relating to all ~~of and~~ ~~to all~~ of them in this matter. This suggestion has been put down by me in the note recorded on the day of the discussion and kept below. D.S. (S.O.) may kindly go through this note and see which points need clarification. I am not very clear as to the ~~for~~ ~~reim~~ procedure for reimbursement to Panchayat Unions and about the suggestion to reduce the local cess and expenditure matching grants. The details of the 'order of priority' scheme will also have to be worked out. D.S. (S.O.) may kindly consider all these points and keep the files

with him. I shall discuss this with him as soon as I return from Delhi.

The files placed below relate to the question whether Local Authorities and, more especially, Municipal Councils can be allowed to contribute to the funds of Committees constituted for running mid-day meal schemes in elementary schools and whether the Municipal Councils themselves may be permitted to constitute themselves into local committees for this purpose. The scheme approved by Govt. for the supply of school meals to poor pupils is in G.O.No.1850, Edn. dated 8-11-57 (at flag A) ~~in L.F.I.~~ Requests have been received from certain Municipal Councils to be allowed to contribute to the funds of local committees constituted for providing mid-day meals to poor children from their general funds and from their elementary education funds. Some Councils have also requested that they should be permitted to incur the entire expenditure on the supply of mid-day meals to their school children from the Elementary Education funds. Permission has been given Ad hoc in the past to certain Municipal Councils to contribute from their general fund (but not Ele. Edn funds) to the funds collected for the supply of mid-day meals but no general policy decision has been taken in this matter. The Madurai Municipal Council has specifically suggested now that it should be allowed to constitute itself into a local committee of donors relaxing the necessary conditions for this purpose and ~~may~~ should be permitted to receive from Government ~~a~~ the grant that is given usually to local committees for this purpose. It was originally proposed (vide Note for circulation on pages 8--10 of this file ~~L.F. of~~) that the Madurai Municipal Council may be permitted to constitute itself into a local committee giving it only a contribution of 4 naye paise per pupil as ~~against~~ Govt.

grant as against the maximum of 6 naye paise allowed under the existing Rules and also to permit Municipalities to incur expenditure from their general funds towards provision of school meals and to contribute from their surplus elementary education funds to local committees constituted for this purpose subject to the condition that no grant to meet the deficit would be given.

2. When this note was put up to Mr. Gopalaswamy, the former Secretary, he took the view that a comprehensive decision~~s~~ should be taken to cover the question of all local bodies meeting the expenditure for the provision of mid-day meals. His view was that a uniform policy should be laid down in this matter in respect of all local bodies, that is to say, Panchayat Unions and Municipalities. All these should be allowed either to contribute to local committees or form themselves into committees for the purpose. In the latter case, funds of the committee~~sxx~~ so constituted should be ~~maint~~ managed separately. The local body should contribute from its elementary education funds the 6 naye paise contribution that Govt. generally make to such Committees and Government should make good that amount to ~~the Council~~ X. As for the rest of the expenditure the local body could be allowed to contribute the whole or a part from its general funds. He also proposed that, as far as Panchayat Unions are concerned, the local education grant to be paid to the Panchayat Union should be reduced by the amount which the Government make good separately to the Panchayat Union for the amount paid by it

out of its elementary education fund ~~for mid-day meals~~. He was further of the view that Govt. assistance should depend upon availability of funds and should be given ~~under~~ in the following order of priority:-

(i) C.D.Blocks ~~with N.E.S.~~ Stage I
(ii) C.D.Blocks - Stage II
(iii) Other rural areas
(iv) Municipalities Grade III
(v) Municipalities Grade II
(vi) Municipalities Grade I
(vii) Special Grade Municipalities
and (viii) Corporation of Madras.

3. As far as Municipal Councils are concerned, these proposals are fairly clear except that the order of priority system in the matter of Govt. assistance may be difficult to work. As far as Panchayat Unions are concerned, it is seen that the supply of mid-day meals to school children is part of the ~~compulsory~~ mandatory functions of Panchayat Unions. D.S. ~~and~~ S.O. may kindly clarify whether, in view of ~~the~~ this, a system of a separate grant for such an item alone is necessary and whether it cannot be worked in any other way. This may be examined with reference to the method proposed in the new Act for the calculation of the local Education grant to be paid to Panchayat Unions. It is also for consideration whether, since the present requests ~~of~~ have come from only Municipalities, an order may not be issued for the present in respect of Municipalities alone leaving the question of assistance to the Panchayat Unions to be decided later.

Vide Section 65(c) of the Madras Panchayat Act 1958 A read with para 24 of the note on "Development of Panchayat Administration in Madras State".

4. D.S.II may kindly examine the question of assistance to Municipalities in the manner indicated above from the point of view of the

20 (4)

general canons of assistance to local bodies and the general principles of Local Administration. He may also offer his remarks on the particular suggestion that the Municipalities should constitute themselves into committees and maintain separate funds for this purpose.

5. As for the order of priority suggested by Mr. Gopalaswamy, it is not clear how exactly this has to be worked ~~out~~ and how grants are to be distributed to the various bodies. This may give rise to a certain amount of uncertainty in the matter of receipt of grants in respect of certain kinds of local bodies. It would seem to be better to decide that all municipalities will be entitled to the benefit of this system. Whether special grade Municipalities should be excluded is a matter on which D.S.II and D.S.(S.O.) may give their remarks.

6. Lastly, there is a request from the Corporation of Madras which has hitherto been running a mid-day meal scheme on its own without any ~~special~~ kind of grant from Government, for Govt. subvention as its expenditure in this regard has been increasing. This is dealt with separately in the linked file I. D.S.II and D.S.(S.O.) may kindly give their views on

LF I. delinked

(a) bringing the Corporation of Madras within the purview of a general scheme of assistance as indicated above; and

(b) the state of the finances of the Corporation of Madras and its ability to meet any increase in expenditure on the provision of midday meals for children.

(75) 5 21

This point has been specifically raised by the Asst.Secretary in para 2 of the office note on page 5 n.f. of L.F. I .

[initials]
6/8

There seems to be no objection to issue orders now on the question of giving financial aid to municipalities including the Corporation of Madras, leaving it open in respect of Panchayat unions which are yet to be constituted, especially as it is stated (vide para 3 on page 3 above) that requests have been from municipalities.

D.S.&S.O.
D.S. II.

2.) As regards the authority to administer the "Mid-day meal Scheme" in elementary schools, the question is whether local committees constituted on ad hoc basis out of the donors may run the scheme with the aid of Government grant and municipal contribution or whether the local bodies (municipal councils and panchayat unions) may be permitted to constitute committees of their own with donors as coopted members for running the scheme. The choice may be left to the local bodies concerned for decision with reference to local conditions. In either case it may be laid down that a separate "Mid-day meal Scheme Fund" should be

maintained with separate accounts showing the receipts from Govt. grant and local contributions and the details of expenditure therefrom.

3.) Regarding financial assistance, it is observed that under the scheme sanctioned in G.O.Ms. 1850 Edn dated 8.11.57, the amount of expenditure in excess of 4 naye Paise per meal per pupil will be met by a Govt grant subject to a maximum grant of 6 naye Paise per meal per pupil. The question for consideration and decision is whether this scale of assistance may be continued. Whatever may be the decision in regard to the scale of assistance no distinction need be made between a committee of local authority and a non-official committee of donors only. If necessary, a distinction may be made between the Corporation of Madras, the municipalities in districts and the Panchayat unions. In this view, the following scales of assistance are suggested:—

(i) Corporation of Madras. The minimum expenditure to be incurred by committees may be fixed as 6 naye Paise per meal per pupil and the amount of expenditure in excess of this minimum upto 4 naye Paise per meal per pupil may be met by a Govt grant.

(ii) District municipalities. The minimum expenditure to be incurred by committees may be fixed as 5 naye Paise per meal per pupil and the amount of expenditure in excess of this minimum upto another 5 naye Paise per meal per pupil may be met by a Govt grant.

(iii) Panchayat unions. The scale laid down in G.O.Ms. 1850 Edn dated 8.11.57 may be adopted. Under this, the Panchayat unions will meet a minimum expenditure of 4 naye Paise per meal per pupil and the amount of expenditure in excess of this minimum upto 6 naye Paise per meal per pupil may be met by a Govt grant.

(96) 29

4) The grants due on this account may be paid into the Scheme fund to be maintained separately by the local bodies and the ad hoc Committees constituted out of donors. The Corporation of Madras and the district muffies may pay their share of expenditure on the Scheme as contribution from the General fund to the School meal fund and the grants payable to them on this account will be in addition to the grants payable for elementary education. In the case of Panchayat unions, contributions towards their share will be paid from their General fund; but a reduction equal to the amount of School-meal grant will be made in the Local Education grant payable to the Panchayat union (Education) fund. The Perspective Budget of Panchayat Adm. provides for a total educational expenditure of 350 naye Paise per capita which includes school meal grants expenditure of 60 naye Paise per capita. The expenditure on the provision of School meals met out of Govt grant and local bodies (panchayat unions) contribution and shown under a separate fund account will go to reduce the target expenditure of 350 nay Paise per capita and so it is proposed to reduce the amount of local education grant.

Discussed with DS & SO on 25/8.

His proposal is that the local committees constituted under the [illegible]

G.O. and the Committees into which the local bodies will convert themselves will be treated on the same footing as far as the manner of payment of Govt. grant is concerned. The local committees will be dealt with in the manner outlined in the November '57 G.O.(Flag A). Where the Local Bodies wish only to contribute to the funds of the Local Committee they can do so from their general funds or, if they have a surplus in the Elementary Education Fund, from the Elementary Education Fund subject to the condition that no grant to meet the deficit on this account will be given. Where, however, the Local Bodies desire to constitute themselves into Committees they may do so and co-opt the donors who are not members of the Local Bodies to the Committees. In such cases the Govt. grant which will be on the scale indicated in S.O.'s note on page 22 ante will be paid direct to the Committee and not to the Local Body. The rest should be met only either in whole or in part from the general fund of the Local Body. In respect of Panchayat Unions, the Govt. contribution paid to the Committee will be reduced from the amount of local education grant payable to the Panchayat Union Education Fund.

2. As far as the Corporation of Madras is concerned, S.O. has suggested that the question whether the state of the finances of the Corporation warrants any large scale aid by Govt. or whether it cannot itself meet any increase in expenditure on the provision of mid-day meals to children may be examined separately in view of the fact that the whole question of the finances

77

of the Corporation is under consideration by a Committee. I have agreed to this. This question will be pursued further in the separate file relating to the request of the Corporation of Madras for Govt. subvention towards meeting the expenditure on mid-day meals.

3. Finance may kindly go through the fresh note from page 17 ante and accord their approval to the scheme outlined above. They have already approved of the earlier proposals referred to in paragraph 1 of the note on page 17 ante. But since the scheme has been modified in the manner suggested by Sri R.A.Gopalaswami, Finance may see again and give their concurrence. Orders will, thereafter, be taken in circulation. Orders can be issued straightaway as far as Municipal Councils are concerned. Orders regarding Panchayat Unions may perhaps be issued after they are formally constituted.

I would like to have clarification on the following point.

The Govt ~~are working~~ propose to implement the scheme up to a ceiling cost of Rs 120 lakhs in 1962-63. This is indeed a large sum of money and whether we can reach that ceiling without ~~[illegible]~~ material imbalance in the state budget remains to be seen. I am drawing attention to this here just to show that the Govt cannot take any further commitments under this head whether direct or indirect.

Hence when we permit Municipalities & other local Bodies to constitute themselves into committees & contribute 4 to 6 n.P. out of their own funds, we must ensure that this contribution should come out of fresh resources tapped by them. If they merely divert funds out of their existing resources & then come up to the Govt indirectly for grants under other heads to balance their budgets then in effect ~~[illegible]~~ the Govt will be meeting the full cost of 10 n.P. This I presume is far from the intention of the Govt at present. This would also be unfair discrimination because in rural areas there is public contribution of 4 n.P. to supplement the Govt grant of 6 n.P. Surely the Urban rate-payer is ~~to~~ in a better position economically to bear this extra cost than the rural ryot.

'B' in Finance Secretary's note on p.26 ante:

Submitted that Municipal Councils cannot meet any portion of the expenditure on the supply of Mid-day Meals to School children in their area from the Elementary Education Funds. Attention is solicited to the orders in G.O.No.106 Education, dated 25.1.1926 wherein it was made clear that the expenditure connected with feeding and clothing of pupils in Elementary Schools should not be debited to Elementary Education Fund. These orders were passed on the opinion of the Advocate General in regard to the interpretation of section 33 of the Elementary Education Act.

2. The question arises whether Municipal Councils may be permitted to incur expenditure on the supply of Mid-day Meals to school children from general funds. There is no objection to the expenditure being met from the general funds. At present the Government have agreed to sanction grant to Municipal Councils towards the deficit that may arise in the general account on account of the grant of dearness allowance to Municipal Employees. If the expenditure connected with Mid-day Meals is allowed to be debited to the general fund, the deficit in that connection may increase with the result that the Government will have to sanction grants indirectly to the Municipal Councils. It is difficult to ensure that Municipal Councils do not increase their expenditure on the provision of Mid-day Meals to school children so as to get a grant from State Funds towards the deficit in the general account. In the circumstances the position of each Municipal Council will have to be examined before the Govt. can permit it to supply Mid-day Meals to school children with the help of the grant payable under G.O.No.1850 Education, dated 8.11.1957.

2. As regards Panchayats, it is not clear

..contd.

whether they can incur expenditure on the supply of Mid-day Meals to school children. At 'A' on p. 19 ante, it is stated that the supply of Mid-day Meals to school children is part of the mandatory functions of the Panchayat. The R.D. & L.A. Deptt. may elucidate the point raised by the D.S. There is no objection to Panchayats being allowed to supply Mid-day Meals to school children in their areas and claim the grants admissible under G.O. No.1850 Education, dated 8.11.1957. The cost of the scheme not covered by the Govt. grant may be met from the funds of the Panchayat.

A.S.(E)

(A)

AS(E) may keep this file with him. I shall deal with it when I come back on 21/12

16/12

I have discussed this question with Asst. Secretary (Education). It does not appear desirable to permit Municipalities or even Panchayat Unions to contribute any amount from their Ele. Education Funds to the Mid-day Meal Committees.

2. I have had a further discussion of the whole question with D.S.(S.O.), R.D.& L.A.Department and the following remarks are based on this discussion. The suggestions made therein have been examined in consultation with him.

3. As far as the Municipalities are concerned, the only objection is that of the Finance Secretary to the effect that Government should not be placed in a position where they will be indirectly subsidising the whole of the expenditure incurred on the supply of mid-day meals over and above the regular Government grant. Now as far as the general funds of Municipalities are concerned, the special grants made by Government are, for specific items of expenditure

such as road grants, grants for maintenance of dispensaries, and grants to meet deficit ~~in~~ relating to Secondary Education etc., ~~and~~ In all these cases except one the amount to be paid by Government is calculated with reference to the revenues specifically relating to and the expenditure specifically incurred on each one of these items. It is not therefore possible for the Municipality to secure an increased grant towards one of these items by utilising the expenditure incurred by it out of its general funds towards the grants to mid-day meal Committees to show a deficit elsewhere. The one exception referred to above is the dearness allowance ~~Here the grant is governed~~ grant. Here Government are committed to meet the expenditure incurred on grant of D.A. at Government rates and the grant to be given by Government is equal to the total expenditure so incurred by the Municipality or the actual deficit in its general account, whichever is lower. In so far as this grant is based on the actual deficit in the general account it will be possible for the Municipality to recover indirectly from Government the amount spent by it as grant to mid-day Meal Committees if there is an overall deficit in their general account. In order to obviate this possibility, I suggest that, in calculating the dearness allowance grant payable to Municipal Councils it may be specified that the calculation of the deficit will not take into account the expenditure incurred from out of the general fund towards provision of mid-day meal. That is to say, from the actual deficit in the General account, an amount equal to the expenditure on mid-day meals may be deducted and the remainder, if any, alone taken as deficit for purposes of the D.A. grant. This, I believe, will ~~be~~ meet Finance Secretary's point.

A

4. To sum up, the proposal is that all Municipalities will be ~~prepared~~ permitted either to constitute themselves into Committees with co-option of other persons, if necessary, for distribution of mid-day meals to elementary schools managed by them or will be permitted to contri-

bute from their general funds to the funds of the Local Mid-Day Meals Committees constituted for Elementary Schools within their jurisdiction. In any case, the accounts of the Committees should be kept separately and Government contribution will be paid direct to the Committees. In either case, the Municipal Council will be permitted to contribute from its general funds to the Mid-Day Meals Committee subject to the conditions specified at A ~~above~~. in previous page.

5. As for Panchayat Unions, the proposal is that they should also be permitted to contribute from their general funds to the Mid-Day Meals Committees in their jurisdiction. The further question for consideration is whether Government assistance to the Mid-day Meal Committees within the jurisdiction of the Panchayat Unions should be routed through the Panchayat Unions or should be paid direct. While the Act itself does not specifically lay down that the provision of mid-day meals for elementary school children is one of the Mandatory functions of the Panchayat Unions, the brochure prepared by Government regarding Reform of Local Administration says so. If so, the responsibility for payment of a grant to the Committees in charge of Mid-day Meals should shift from Government to the Panchayat Unions and it is they who should, out of their elementary education fund, give the 6 Naye Paise grant now given by Government. The Local Finance Sub Committee of the Legislative Committee on Local Administration, in computing the total amount of per capita expenditure on Elementary Education to be incurred by Panchayat Unions, has allowed for an expenditure of 60 Naye Paise per capita for Mid day meals. If Government continue to give the 6 Naye Paise grant to the Mid-day Meal Committees in the jurisdiction of Panchayat Unions, the total amount of the grant so given should be deducted from the Local Education grant payable to the Panchayat Union. Mr.Gopalaswami's original suggestion was that the Government's grant should be paid to the Panchayat Unions who would pass it on to the Mid-day Meal Committees and that this amount would later be deducted from the Education Grant. The suggestion of D.S.(S.O.),

of R.D.& L.A.Department is that the amount may be paid direct to the Mid-Day Meal Committees by Government and the deduction made in the Local Education grant later. His point is that this would ensure that the amount is actually ~~granted~~ utilised for the purpose ~~for the purpose~~ for which it is ~~entitled~~ intended. But the question for consideration is whether Government can make a grant direct for a purpose for which the Panchayat Union is expected to incur expenditure from its funds and then make a deduction from ~~the~~ a grant payable to the Panchayat Union. Whether such a procedure is permissible under the Act and the Rules thereunder is a matter to be examined by R.D.& L.A. There is also the further objection that if the total amount paid as grant by Government to the Mid-day Meal Committees ~~with~~ within the local jurisdiction of the Panchayat Union exceeds a figure calculated at 60 Naye Paise per head of population in the block served by the Panchayat Union the deduction of such an amount from the Local Education grant would be a deduction of a sum greater than that intended to be spent by the Panchayat Union on Mid day Meals according to the Local Finance Sub Committee's calculations. R.D. L.A. may consider these points and advise as to how best the scheme can be implemented.

6. Since the question, as far as it relates to Panchayat Unions, is not so very urgent, orders may now issue regarding Municipalities after R.D.&L.A and Finance have seen the case. The problem of Panchayat Unions can be considered in detail later.

I agree.

2.) However, it may be stated that, as far as panchayat unions are concerned, the Local Education grant payable to them will bear a proportion (not less than 50% and not more than 80% as may be specified by the Govt in respect of each ~~block~~ union) of the total amount of expenditure approved by the Govt for being debited to the Panchayat union (Education) fund less land revenue assignment, subject however, to a maximum of 250 NP per capita. – Vide section 128 of the Madras Panchayats Act, 1958. If the Govt approve the debit to the Panchayat union (Education) fund of the expenditure on the provision of mid-day meals to school children, it will be taken into account in calculating the Local Education grant and the expenditure on the provision of midday meals or that on the payment of contribution to local committees will be a specific charge on the Education fund. There will be then no question of applying the scale of assistance laid down in G.O. No 1850 Edn D, 8.11.57 to panchayat unions. There will also be the question of ~~panchayat~~ unions meeting their share of expenditure in different proportions from general fund contribution which might include local cess surcharge matching grant. In order to avoid this contingency, it was suggested that the grant payable for school meals may be paid separately and that the panchayat unions should make contributions from the general fund towards that grant.

[illegible]
27.1.60

There can be no question of Govt. (or a Govt department) dealing direct with Midday Meals Committees, after the schools themselves (including grant-in-aid & private schools) are made the responsibility of Panchayat Unions: we shall have to make our own grants (A) available to Panchayat Unions, either to the General fund or the Education Fund. We shall also have to permit Panchayat Unions (& even Panchayats) to contribute in order to make up the LENP [illegible]... ~~We shall do this, [illegible]~~ There are some differences between ~~[illegible]~~ [illegible] the [illegible] fund & [illegible] the [illegible] the General Fund. 1) Secretary has directed that this file may be sent to Finance for their views on the suggestions now made. He will look into the file on its return from Finance.

2) I have discussed with the Development Commissioner and the Deputy Secretary and Special Officer R.D.&L.A. the question of operation of the Mid-day meal scheme in Panchayat Union blocks. This question can be dealt with separately as it is a sufficiently ~~a~~ large one by itself and a separate note will be prepared on the subject.

3) As far as Municipalities are concerned, the Dev. Commissioner has agreed to the proposals set out at paragraphs 3 and 4 of the note at pages 30--32 ante. To meet the likelihood of Government having indirectly to subsidise the entire mid-day meal scheme in rural areas (as pointed out by Finance Secretary in the note at pages 26--27 ante) the safe

guard at A at page 31 ante has been suggested. Finance may see and indicate whether the revised scheme, as far as Municipalities are concerned, is acceptable. The idea is that the Committees in Municipal areas (whether the Municipality ~~itself~~ forms itself into a committee or whether they are separate committees, to the funds of which the Municipalities will be allowed to contribute) will receive the usual aid subject to a maximum of six naye paise that other committees now get under the G.O. of 1957.

1) What is ~~now~~ proposed to be done now is summed up in paragraph (4) of the note on pages 31--32 ante. The present proposal relates only to Municipalities. (Separate action is being taken in respect of Panchayat Unions) The Committees in Municipal areas (whether they are formed by the Municipality constituting itself into a committee or whether they are separate committees to the funds of which the Municipalities will be allowed to contribute) will receive the usual aid

subject to the maximum of 6 naye paise per pupil per day that is given to other committees under the G.O. of 1957. It has been decided not to allow Municipalities to contribute any amount from their elementary education funds to the mid-day meal committees~~, because of certain legal difficulties~~.

2. In addition to this general permission it is also proposed to accede to the request of the Madurai Municipal Council to entrust the work of supply of mid-day meals to the school children to the Annapoorna Cafetaria subject to the condition that the cost does not exceed 10 naye paise per meal per pupil.

3. The proposals in paragraphs (1) and (2) above may be approved. C.M. may perhaps see after issue.

~~Memo No.12020/L2/78-2 Education dt. -9-78.~~

Sub: Midday Meals-Elementary Schools run by Coimbatore Municiplaity-Expenditure incurred for certain period at rates of less than 10 paise per pupil per day.

Ref: From the DSE lr.Rc.No.256338/SM9/77 dt.24.1.78.

From the Examiner of Local Fund Accounts K.Dis.No.F1/32360/78 dt.16.3.78.

XXXXX

According to G.O.Ms.No.1804 Education dt.21.10.74, each Local Body should spend on the Midday Meals Programme for the Elementary Schools run by it, a minimum of 15 paise per day per Midday Meal beneficiary (for 200 days ~~xx~~ a year)-- of which 10 paise will be given as Govt.grant and 5 paise should be borne from the General Funds of the Local Body.

2. It has been reported that for the quarter ending 31.12.75, the Coimbatore Municipality spent for the Midday Meals Scheme in its elementary schools only Rs.62,317/- in all which worked out to just 9 paise per pupil per day. The Director of School Education ~~is informed that~~ was enquired whether the Govt grant should be restricted to 4 paise (9 paise minus 5 paise Municipal contribution). The Examiner of Local Fund Accounts has verified the position for the year 1975 and reported that on this basis the Municipality has drawn the Govt.grant in excess to the extent of Rs.1,38,415.74 for the year 1975 as detailed below:

pto

12020/L2/78

Total meals served.	33,20,220.	
	Rs.	P.
Local Body contribution at 5 paise per meal.	1,66,011-00	
Grant due(total expenditure minus 5 paise contribution)	1,94,540.06	
Grant sanctioned and drawn.	3,32,955.80	
Overdrawal of grant for the year.	1,38,415.74	

The excess grant may be ordered to be recovered from future instalments of the Midday Meals grant due to the Coimbatore Municipality.

A draft Memo is putup.

3. In the Govt.Memo.dt. 28.3.78, the Coimbatore Municipality has already been requested atleast hereafter not to deprive the Midday Meals beneficiaries in its Elementary Schools spending less than their legitimate due of 15 paise per pupil per day for 200 days a year. It was also pointed out to the Municipality that its action in having spent just 9paise for a certain period has not only deprived the poor pupils of their legitimate due but also resulted in the Municiplaity getting a lower quantum of Government grant for its Midday Meals Scheme.
